

process< Generator >

```
graph BT; A[cir< Generator >] --> B[process< Generator >];
```

The diagram illustrates an inheritance relationship. A light gray box at the bottom contains the text 'cir< Generator >'. A dark blue arrow points vertically upwards from the top center of this box to the bottom center of a white box above it. The white box contains the text 'process< Generator >'. Both boxes have a thin black border.
